

## TTUTA

### CASH DISCOUNT FACILITIES

January 2014 - December 2016

(Available on Presentation of TTUTA'S Membership Card)

1. The discount must be requested **BEFORE** payment for items or services.
2. Management of the participating companies reserves the right to request identification.
3. Discounts have been secured with agreement of the participating businesses listed in this Booklet. Changes in ownership and/or management may occasionally lead to problems with the discounts.

TTUTA has no control over such problems and does not hold itself liable for the refusal of any of the participating businesses in not honouring the discount.

**Where such problems arise, please contact our offices and every effort will be made to clarify the issue.**

4. The participating businesses may, as a result of special sale conditions, alter the discount listed. TTUTA has no control over such Management decisions.
5. TTUTA cannot guarantee that the businesses listed will remain in the programme. At the same time, new businesses will join. Through the TUTOR changes will be communicated to members.

I urge you to make full use of these discounts negotiated on your behalf. Once members support the participating firms we can expect favorable discounts and other benefits to the Association.

To the business owners listed in this booklet, let me take the opportunity, on behalf of TTUTA, to thank you for participating in this partnership.

Once there are changes to your offer I ask that you write to the Third Vice President indicating these. This will allow us the opportunity to communicate such changes to our members.

If you encounter any problems, please contact the Third Vice President at the Head office.

\* I am convinced that should members use this facility often they will in fact save more than their annual dues paid to the Association.

.....  
**MARTIN LUM KIN**  
**THIRD VICE PRESIDENT**

NOTE : Discounts liable to change without notice.
